

Extended Deadline
for Abstract
Submission:
May 15th, 2026

Joint Conference
of the Petrochemistry &
Conversion of Carbon Carriers
Division of the DGMK

Date
October 8 - 9, 2026

Venue
Haus der Technik, Essen

**Extended Deadline for
Abstract Submission**
May 15, 2026

Submit your Abstract

Call for Abstracts

Processes for Resilient Supply of Carbon Carriers, Fuels and Chemicals

Key Topics:

- RED III - Implementation and Execution
- Methanol Synthesis
- Methanol-to-X, Fischer-Tropsch, e-fuels, SAF
- Chemical Recycling
- Big data & Resilience
- Pyrolysis, Gasification, Plasma Gasification
- Modern Crude Conversion
- Electrification of Chemical Processes
- Methane Pyrolysis, Hydrogen, Ammonia Cracker

Organized by
